

Northern Young Women's Conferences

What is the Young Women's Conference?

A one day conference for young women to learn about trade and technology careers available in today's employment market. The conference will highlight different vocations in trades and technology, introduce young women to women mentors working in the trades or technology field and provide employment and career planning information.

What is the day like?

For Young Women... This one day event will feature entertaining and informative keynote speakers, discussions and varied hands-on demonstrations..

For Advisors... You will get to participate in most of the previously listed student activities. There will also be lots of handouts and information available for advisors that will assist in providing guidance to young people regarding opportunities available in the trades and technology fields.

Who can participate?

This program is geared for grade eight young women. Ideally young women attending should be interested in learning about new and different career opportunities and meeting women from a variety of backgrounds. Remember space is limited and the conference always fills to capacity so please book early.

Who is Skills Canada Manitoba? Skills Canada Manitoba is a not-for-profit, charitable organization that works with youth, parents, communities, industry and government to increase awareness of the rewarding careers available in skilled trades and technology.

March 5, 2019—R.D. Parker Collegiate—Thompson

What is the cost of the conference?
