WHAT IS THE EXTREME SLEDDING CHALLENGE?

In teams of 4, students will construct a racing sled, consisting of cardboard, wood, and a pull rope. Students will then have the chance to win prizes by racing their sled against other teams to see who has the fastest and most durable sled!

SKILLS MANITOBA WILL PROVIDE:

- Building materials for sleds – wood, cardboard, rope, duct tape, screws
- Tools – screwdrivers, utility knives, scissors, staple gun, tape measure
- Safety gear – gloves, glasses

SCHOOLS ARE RESPONSIBLE FOR:

- Decorations - i.e. ribbon, construction paper, paint, markers
- Writing utensils and graph paper for sled design
- Supervision of students (teachers, EA's, volunteer parents, etc.)
- Choosing the best location for the race at their school

Every person is welcome. No individual is excluded.
