## WHAT IS THE EXTREME SLEDDING CHALLENGE?

In teams of 4 students will construct a racing sled, consisting of cardboard, wood, and a pull rope. Students will then have the chance to win prizes by racing their sled against other teams to see who has the fastest and most durable sled!

## SKILLS MANITOBA WILL PROVIDE:

- Building materials for sleds – wood, cardboard, rope, duct tape, screws
- Tools – screwdrivers, utility knives, scissors, staple gun, tape measure
- Safety gear – gloves, glasses

## SCHOOLS ARE RESPONSIBLE FOR:

- Decorations - i.e. ribbon, construction paper, paint, markers
- Writing utensils and graph paper for sled design
- Supervision of students (teachers, EA's, volunteer parents, etc.)
- Choosing the best location for the race at their school

**Every person is welcome. No individual is excluded.**
