WHAT IS THE TRADES AND TECHNOLOGY OLYMPICS?

This event is an opportunity for grade 6 students to get familiar with various sectors within trades and technology. Students will rotate through sessions while hearing from industry mentors, learning about job options, and completing hands-on activities. Schools can choose between the morning or afternoon session.

Each school must provide supervision for their students. Advisors will need to participate with timing, assuring their students are accounted for, and following the guidelines given

Every person is welcome. No individual is excluded.
