What is the Young Women's Trades & Technology Olympics Conference?

A half day event for Grade 6 girls to learn about trade and technology careers in today's employment market. Teams of 4-5 students will complete the Trades and Technology Olympics track by participating at hands-on activity stations along the way. The Try-A-Trade style course is constructed so that students complete a variety of tasks associated with Trades and Technology Careers.

Additional Information

- Each team to consist of 4-5 students, and each school is invited to send 3 teams (15 students per school).
- There may be additional space available, so if you have more than 15 girls who want to come, contact Michelle Pruder to inquire.
- Each school must have a teacher/advisor assigned to them. Advisors will need to participate with timing, assuring their students are accounted for and following the guidelines given
- A light lunch will be served to program participants and advisors/teachers

Every person is welcome. No individual is excluded.
