## WHAT IS THE YOUTH IN MANUFACTURING PROGRAM?

Imagine if you could tour a local company and see the creation of a three dimensional design on a computer, see the transfer of the design to a computer numeric control machine and then get to see the finished product?

Grades 7-10 students will be exposed to manufacturing processes from design to the building and assembling of a product and ultimately the marketing and sales process.

**Every person is welcome. No individual is excluded.**

## WHAT IS THE COST OF THE CONFERENCE?

The cost for this program for each participant is \$20.00. The cost for advisors is \$10.00. Includes an industry tour. Lunch will be provided for each participant and advisor.
