

Hi Everyone!

We hope that you are staying safe and taking care of yourselves during these uncertain times! Just like for many of you, our work has evolved and the Skills Canada Manitoba team has been creating some fun and exciting activities for students, teachers, and parents while they are at home!

TIKTOK VIDEO CHALLENGE

TEACHER EDITION

PRODUCE YOUR OWN VIDEO FOR A CHANCE TO WIN \$100!

For more info visit www.skillsmanitoba.ca

Challenge Information for Teachers:

For our first challenge, it's all about you teachers out there! We want you to create a short, fun and entertaining TikTok video related to trades and/or technology!

Examples would be; Changing the tire on your car, fixing the faucet on your kitchen sink, repairing a problem on your home computer.....the possibilities are endless! Just keep it fun!

To join in and enter the Challenge:

Go to the Skills Manitoba website at <https://skillsmanitoba.ca/>

Follow us on Facebook, Instagram, and Twitter

Remember to hashtag #SkillsMB

Submit your video by messaging one of our Skills Manitoba social media accounts.

Points Details for the Challenge:

**** MOST POINTS WINS ****

Include Trade or Technology in video = 3 points

Shares= 2 points

Likes=1 point

Get your students to like and share your awesome creation and have a chance to win a great \$100 gift card prize for your efforts!

Deadline to Enter:

Friday, April 10, 2020 by 12:00 noon
