

## Sewing Challenge

How to participate:

**Step 1** - Sew together anything you'd like! Repurpose an old outfit, make a sleeve cover for your ipad/laptop or fix that tear in your jeans you've been putting off for years. Ideas big or small we want to see them all!

**Step 2** - Submit a picture of the entire project as well a close up of the stitching to us by emailing [skillsmb@skillscanada.com](mailto:skillsmb@skillscanada.com).

Entries will be judged in three categories divided by grade levels; K-4, 5-8 and 9-12. Sewing will be judged mostly based on creativity.

Deadline to enter is Friday, June 12th, at 4pm and the winner will be announced in the following week.

Note: Photos will be posted to Skills Manitoba social media pages unless otherwise requested by the submitter. Photos must be appropriate for all audiences. Any offensive photos will not be posted and are automatically disqualified.

Best of luck to all!
