

2022 Job Skill Demonstration SAFETY PLAN

Competitors are responsible for ensuring that health and safety requirements are in compliance with Manitoba legislation.

Competitors must provide a detailed safety plan with a description of the demonstration, along with internet links to Safety Data Sheet (SDS) if applicable. Competitors must identify the skills being demonstrated and their connection to the specific contest area (see section 2.2).

For information on Safety Data Sheets, please see

https://www.ccohs.ca/oshanswers/chemicals/whmis_ghs/sds.html

Please print and complete the Safety Plan. Scan and upload the completed copy to Google Classroom by Tuesday, April 5th. Orientation session on Wednesday, March 23rd will provide complete details. Competitors will not be allowed to compete unless they have submitted a Safety Plan.

Name of Competitor _____ Email Address _____

Name of Teacher/Mentor _____ Email Address _____

Teacher/Mentor phone contact number _____

Contest Area Represented _____

Skill Being Demonstrated (see section 2.2 of the contest description)

Detailed Description of Demonstration (a minimum of 3 sentences)
