1 THE SKILLS FOR SUCCESS FOR CAREERS IN THE SKILLED TRADES AND TECHNOLOGY

In response to the evolving labour market and changing skill needs, the Government of Canada has launched the new Skills for Success (former Essential Skills) model defining nine key skills needed by Canadians to participate in work, in education and training, and in modern society more broadly. Skills Compétences Canada (SCC) is currently working with Employment and Social Development Canada (ESDC) to bring awareness of the importance of these skills that are absolutely crucial for success in Trade and Technology careers. Part of this ongoing initiative requires the integration and identification of the Skills for Success in contest descriptions, projects, and project documents.

The following 9 skills have been identified and validated as key skills for success for the workplace in the legend below:

¹Numeracy, ²Communication, ³Collaboration, ⁴Adaptability, ⁵Reading, ⁶Writing, ⁷Problem Solving, ⁸Creativity and Innovation, ⁹Digital

These Skills for Success have been identified in section 2.3 of the Contest Description and if applicable, in your Project and supporting documents.

2 CONTEST INTRODUCTION

2.1 Description of the associated work role(s) or occupation(s).

https://www.skillscompetencescanada.com/en/skill_area/iob-skill-demonstration/

2.2 PURPOSE OF CHALLENGE:

The purpose of the competition is to evaluate each competitor's ability to demonstrate and fully communicate the process of the job skill. The skill demonstrated must reflect a skill area that is a component of the Provincial Skills Competition. Please refer to Skills Manitoba Website: https://skillsmanitoba.ca/competitions/ for a continuously evolving list of skill

areas.

2.3 SKILLS AND KNOWLEDGE TO BE TESTED:

Each competitor must prepare for the Job Skills Demonstration by:

- Providing a detailed health and safety plan with a description of the demonstration, along with Safety Data Sheets (SDS) if applicable.
 The identification of skills, and the relationship of the demonstration to the specific skill area should be identified (see section 2.2)⁶
- Preparing a 20–30-minute demonstration of a skill.²
- Following the competition judging criteria provided in section 6 of this document.⁵
- Identifying and explaining the Skills for Success that will be used during the demonstration.^{2,7}

Specific Information:

- Competitors must prepare their own digital and non-digital visual aids (signs, charts, slides and diagrams).^{6,9}
- This contest is an individual demonstration; however, one assistant may be used as a model during the demonstration. Only one model and the competitor may be in the demonstration area at any given time.
- The demonstration must be at least 20 minutes in length and must not exceed 30 minutes.¹
- Competitors must present/demonstrate, without reading from a script.²
- Competitors must follow the current occupational health and safety standards of *Manitoba* relating to the demonstration.⁴
- Demonstration should be designed with sustainability in mind
 (5 R's Reduce, Reuse, Recycle, Regenerate, and Reformat)
- Demonstrations that represent dangerous procedures or actions may result in disqualification.
- There must be no coaching/assisting from teachers, instructors, mentors or audience members once the demonstration has begun. Any interference or assistance may result in the disqualification of the competitor.
- Competitors should assume that their demonstrations will be viewed by the general public, other competitors, and may be photographed or video recorded. Competitors should be aware of and prepared for distractions in and around the competition area.

7 CONTEST SPECIFIC RULES

Contest specific rules cannot contradict or take priority over the Competition Rules. They do provide specific details and clarity in areas that may vary from contest to contest. Any additional contest rules will be reviewed during the competitor orientation.

TOPIC/TASK CONTEST SPECIFIC RULE

Use of Timer

As stated in the Competition Rules, the use of mobile phones or smart watches are prohibited when the contest is officially under way. Competitors will NOT be permitted the use of mobile devices (e.g., Cell phones, smart watches etc.) for timing purposes. Competitors should provide their own dedicated timer (e.g., Stopwatch) if they wish. Any timer used must not have alarm features enabled.
