Your airline tickets include one (1) checked piece of luggage not exceeding 50lbs, one (1) carry-on, and a personal item. If you have any additional luggage or items, there will be extra fees.

Upon arrival in Quebec City, we will stop at the Centre de Foires to pick up our event team registration packages/passes. It is recommended that all large tool/contest items be brought off the chartered bus if they haven't been pre-shipped already. Smaller tools/contest items (computers, small tools, etc.) can be brought to the contest areas at orientation. If tools/contest items are not being dropped off until the orientation, competitors are responsible to get the items to the Centre de Foires. Please take a picture of the items with the toolbox label on it just in case it gets misplaced.

Provided competition labels need to be used and affixed to items to identify competitor's name, contest name, contest number and province. Please see attached template to use with contest number listing for reference when filling out the label.
