

# CHOCOLATE BOX CHALLENGE

This challenge requires challengers to think **outside the box (literally)** to design, build and bake their very own box of chocolates! The box can be created using any materials (paper, cardboard, clay, or even wood); challengers will be required to submit a design for the box including a list of all materials used and measurements. The challenger will also be required to make “chocolates” (candy, truffles, cakepops, etc.) to go inside.

The challenge begins on February 2 and runs until February 16 at 12 PM. Contest will be judged in two age groups (Grades 5-8 and Grades 9-12). Each age group will have 1st, 2nd and 3rd place winners.

**BUT WAIT... WE HAVE SOMETHING EXTRA SWEET FOR YOU!!!  
ALL WINNERS WILL RECEIVE AMAZON E-GIFT CARDS.**

1st place - \$60.00, 2nd place - \$40.00, 3rd place \$25.00

## CHALLENGE RULES

1. Challengers must submit a hand drawn or computer rendered blueprint for their box.
2. The blueprint should include a list of all materials used, measurements, and a theme for your box.  
*(Note: The box can be made of anything, recyclables, wood, tinfoil, whatever!)*
3. The box should not exceed 25cm x 25cm.
4. The box must have a recognizable shape (star, heart, triangle, etc.)
5. The box must have a lid!
6. The box must fit at least 6+ sweet treats!
7. Challengers must bake the treats included in the box  
*(The treats can be anything as long as it's homemade and fits in the box; truffles, rice krispies, chocolate covered strawberries, etc.)*
8. Challengers must submit a photo of their box (both outside and inside including the treats) to [anastasiyam@skillscanada.com](mailto:anastasiyam@skillscanada.com) by February 16th at 12:00 PM.
9. One entry per person must be submitted in one pdf file, including name, grade and email address in said file.
