Skills Manitoba Competition

April 9, 2026

Hands on or Interactive Areas

9:00 am – 12:00 noon

- Auto Service – Building M – Canadian Forces will be setting up some military vehicles. – Always lots to see. This is a big competition!
- North Gym – 4 contest areas – Hairstyling, Robotics, Aesthetics and Fashion Technology. Robotics has a bleacher area for students to sit and watch. Hairstyling also has lots of chairs to sit and watch. Fashion Technology will have a Try a Trade provided by MC College. Wella will be doing a Try a Trade at Hairstyling.
- Heavy Equipment Service – Building M and Building Z – The Canadian Forces will have some military equipment set up. There will be several things to see and do.
- Autobody – Building J – Lots going on with a large competition and Car Painting. There will be a virtual painter that can be tried, a welding simulator, Piston Ring and various other displays.
- Landscape Gardening – Greenspace Shop – Building S – They will have a Try a Trade Paver Puzzle, plant giveaways from the Green Wall and there will be lots to see.
- Carpentry – T125 – Milwaukee Tools will have a variety of tools available to try!
- Cabinetmaking – B124 – Canadian Woodworker will have a Try a Trade.
- Bricklaying – B138 – students can still enter to see the shop. Brian Gebhardt will be available to talk about the Masonry trade. It's a very cool shop to see!
- CNC Machining – B168 - Visitors will make keychains!
- Library Hallway – basement Building C – 17 hands on and interactive displays will be available from various companies and sponsors of Skills Canada Manitoba. There will be lots of swag to take home.
