IGNITE THE ENTREPRENEURIAL SPIRIT WITH DRAGONS' LAIR!

Hosted by RRC Polytech's Applied Commerce and Management Education (ACME) programs, Dragons' Lair is an exciting Skills Manitoba and RRC Polytech initiative designed to spark curiosity, creativity, and confidence in the next generation of entrepreneurs. Aimed at Grades 11 and 12 Skilled Trades and Business students, this dynamic program encourages learners to envision their future as business owners—supporting Canada's economic growth and cultivating future mentors in the Skills Movement. Skills Means Business.

Through fun, interactive workshops, Dragons' Lair showcases how skilled trades, technology, and business education at RRC Polytech can open doors to innovative and rewarding pathways in entrepreneurship. Students collaborate in teams of 4, to develop a business idea, build a one-page business plan, and pitch their concept to a panel of "dragons," gaining hands-on experience and real-world business insight every step of the way.

In Dragons' Lair, inspiration meets action—and future entrepreneurs take flight.

Every person is welcome. No individual is excluded.

WHAT IS THE COST OF THE DRAGONS' LAIR?

The cost for this program for each team of 4 is \$100.00. The cost for a teacher/chaperone is \$15.00. Lunch will be provided for each participant and teacher/chaperone.
